

As previously communicated, Striders has designed a new range of club branded sportswear, the sportswear (which includes cycle gear, running vests and gym tops) is available for purchase for a limited time only (actually!). You can purchase items using the online store below. **The store is only open until the 15th October 2017.** We chose a NZ based company, all items are designed and made here in NZ (Ultimo prides itself on paying workers a fair wage), prices may be slightly higher than if we'd gone to China, but we believe the end product is genuinely better quality. The way the store works is that production of orders begins on the Monday after the store closes, so there will be no opportunity for late purchases.

There is no limitation on who can buy i.e. you don't have to be a member of Striders, so if you're looking for something original to send your cycling enthusiast uncle in Canada for Christmas, then a Striders aero jersey could be just what you're looking for 😊
